Winner of the Presingtons Primo Award!

P.O Box 75 Norman Markey Blvd Negril, Jamaica

April 2, 2019

Dear Esteemed Travel Partners & Preferred Guests,

It is with great enthusiasm and appreciation that I extend greetings to you from your extended family, Merrils Beach Resort.

Over the years you have chosen to support the Merrils brand, in spite of the many new developments, bigger hotels, more glitz and glam. Merrils has remained your Home away from Home.

The beauty in this is that we recognize that you have a choice, in spite of which you continue to choose us. For this, we are deeply grateful.

As we continue on our journey, our mandate remains, "to provide a reasonably priced, All Inclusive Holiday package, which offers great value for money, peaceful and tranquil rest & relaxation, whilst creating great memorable moments".

In recognition of your support, we make it a point, to continue our assessment of the physical product and services that we offer, and in that assessment, try to enhance and improve each year, with the main intent being, to meet and surpass all your holiday expectations. It is with this in mind, that we have now introduced this quarterly News Letter, to keep you informed and in the loop about Merrils and any new developments that might take place in your absence. We sincerely hope you find this to be informative and useful.

Be reassured, that your Merrils family remains committed to offering one of the best, most viable and valuable vacation packages available on the market. We also continue to look forward to seeing and serving our many multi repeaters, and of course as many new family members, that are looking for a place that offers warmth, recognition and care, a home away from home.

One Love

MEET THE STAFF

The Directors and Management of Merrils Beach Resort will take this opportunity to use each issue of our News Letter to highlight deserving staff members; who continuously contributes to the quality of our product.

In this issue, we take great pleasure in introducing one of our most prominent team member, who is well known by most of our visiting guests.

Chef Vincenzo Mazzacane popularly known as Enzo or Chef Lorenzo, have been a part of the Merrils team for over 3 years now and have cemented himself into the hearts and minds of the Merrils Clientele. Chef Enzo is exceptionally personable and it is almost certain that he will be at your table wanting to know how much you are enjoying your meal and making sure that service is always on par with the expectation of his guests.

ALWAYS FEELS LIKE HOME!

See just one of dozens of travelers reviews that highlights his performance among others below.

This was my 17th year traveling to Negril, so I could think of no better place to celebrate my 60th Birthday than my second home Merrils II Beach Resort. This trip October 2018 was one not to disappoint as we were greeted with friendly smiling faces from the time we entered the lobby, and those friendly smiles continued the entire trip! The staff works very hard from the front desk to the kitchen. I've read some reviews that say they need to train their staff to smile more, but my thing is ...if you're a friendly and respectful person, that automatically comes back to you. No Merrils II is not a 5 Star Resort, but the location, friendly staff who treats you like FAMILY! the Food, Chef Lorenzo, Charlie the hardest working waiter....where can you get that at a 5 Star...YOU CAN'T! So Big Ups to Merrils Beach Resort...Mi coming back home December 201918th Year Repeater and Loving It!

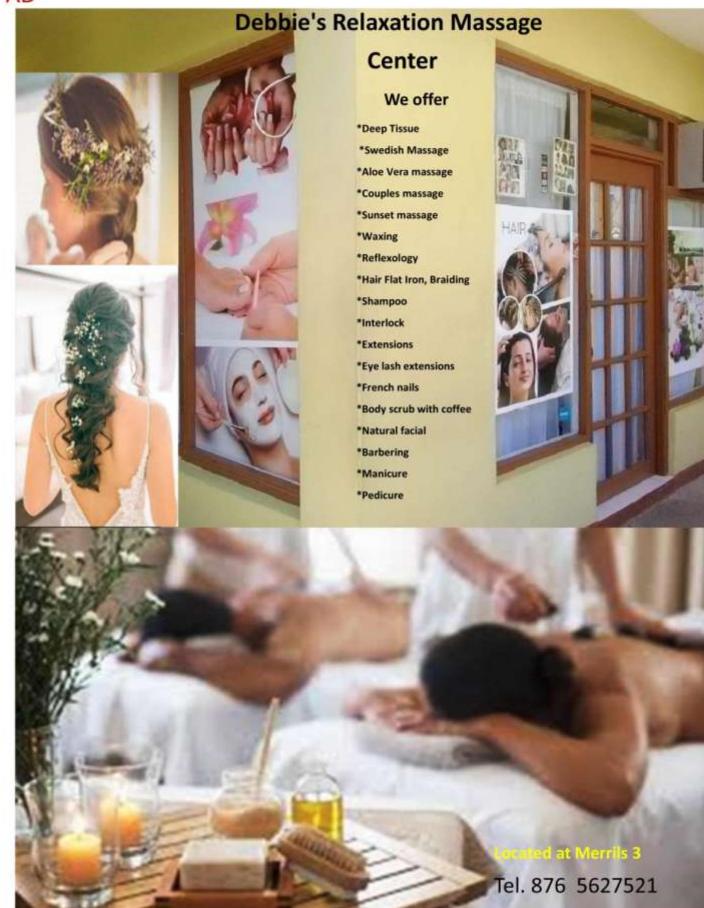

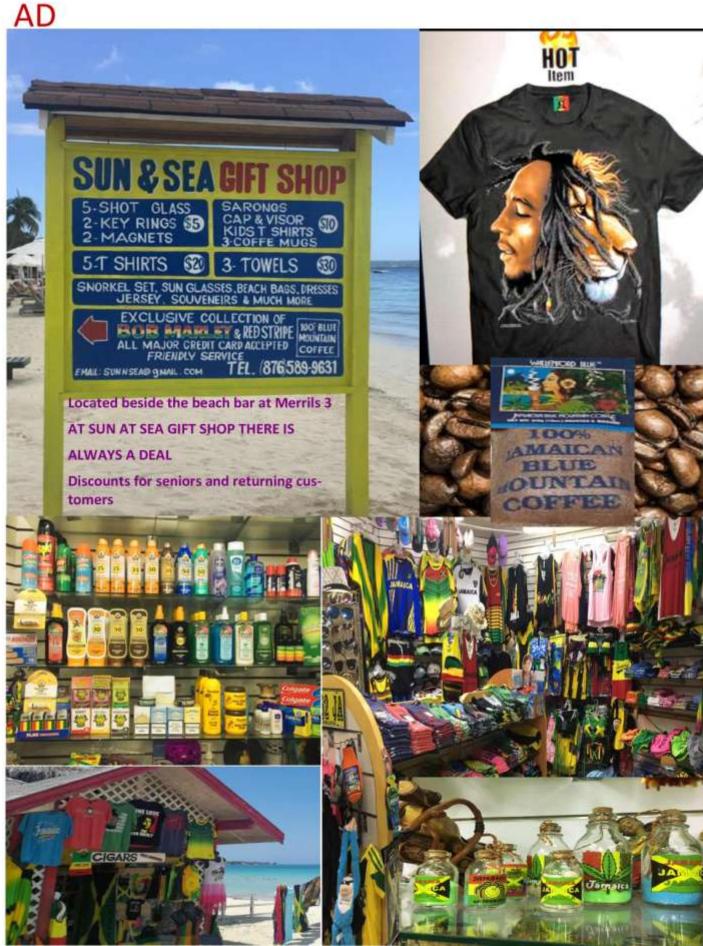

We also take this opportunity to recognize another star performer who has produced excellent, consistent service and who remains in the hearts and minds of many of our preferred clients.

Collin Gray has for over a decade, given quality customer care and service that keeps improving with every season. For that very reason we would like to highlight this exceptional individual, who is one of our dining room supervisors.

Mr. Collin Grey, You have truly exemplified resilience, care and character, a true team player and a leader.

We appreciate you.

It offers wide selection of products ranges of suntan lotion, sunglasses, adapter, T-shirt, beach towels, cigarettes, Jamaican cigars, snacks, drinks, beachwear, beach shoes, postcards, World famous -100% Jamaican blue mountain coffee, Appleton Jamaican rum, Suntan lotion & repellants.
